Mr. Marchessault:

Enclosed please find the Edgewood Centre's response to the EPA's inquiry regarding the Coakley Landfill Site. I have made every effort to answer the pertinent questions to the best of my ability based on the historical data available to me.

Please note that the Edgewood Centre has never been involved in any dumping at the Coakley Landfill Site to the best of my knowledge. The Edgewood Centre has always handled waste disposal through a contract agent.

Should you have further questions, please do not hesitate to contact me.

Sincerely,

Patricia M. Ramsey
